REAL STEEL

gotta be there!

FROM THE COACH

Firstly, we just want to say **THANK YOU** for all your support!

2020 was tough for us all, but throughout our challenging 2020 campaign just knowing that you all were standing behind us no matter what we were thrown helped get us through.

That's one of the things I love most about the Steel - our supporters. Nowhere else in the country *(perhaps even the world)* has loyal supporters like ours.

We've learnt many lessons, but we were also reminded just how lucky we are to live in the deep south and have dedicated supporters like ours.

For us, travelling to Auckland and playing away from home for 7 weeks straight was tough. Once we knew that we were coming home to play with our home crowd behind us, it lifted our spirits and kept us fighting. It was such an emotional return to our Steel fortress. We all knew that we needed to play the best netball we had ever played to reward all of you for being such amazing, loyal supporters of our Steel team.

The noise and energy that we get when we step out of those changing rooms and onto the main court is outstanding. The way you cheer from the beginning of the match right till the end helps us secure a win. You really are our 8th player.

As we look towards our 2021 campaign we're excited for many reasons. With 8 home games and a new look team, it's an opportunity for us to rebuild with some exciting players who are chomping at the bit to be given the opportunity to start in the ANZP. We are a little bit of the unknown which will make us unpredictable and add an element of surprise.

I believe we'll have a good mixture of experience and enthusiasm. Our Steel way is to keep possession of the ball. We are a hard-working Club and that won't change. Our girls will be prepared to grind it out and work till that last whistle. We will be working towards being in the Final!

We thank you for your continued support and know that you have all had your own challenges and we really appreciate that you continue to be loyal supporters of the Southern Steel. We can't wait to see you all in 2021, standing behind us and raising the roof at our home games!
